

Professional Licensure and Certification Requirements: Accounting Programs

Certain programs offered by Universidad Ana G. Mendez Carolina Campus are designed to meet educational requirements for a professional license or certification that is required by state law for a graduate of the program to obtain employment in a specific occupation. The following disclosures contain information about the states in which our relevant programs are designed to meet the educational requirements for a specific license or certification.

Requirements for professional license and certification vary from state to state, and prospective students are responsible for understanding the requirements in the state in which they plan to work after graduation. UAGM does not guarantee that a student will obtain license, certification or employment. Please note that the following information relates only to the educational requirements for the licenses and certifications listed below and is specific to the institution/campus listed above. Other requirements and prerequisites may apply to these licenses and certifications, such as requirements that an applicant successfully complete a criminal or other background check.

The **Bachelor Degree in Business Administration major in Accounting** offered at UAGM Carolina Campus, UAGM Barceloneta, and UAGM Santa Isabel is designed to meet the educational requirements to apply for the exam required to obtain the Certified Public Accountant (CPA) license issued by the Puerto Rico Department of State.
