

Professional Licensure and Certification Requirements: Nursing Program

Certain programs offered by Universidad Ana G. Mendez Carolina Campus are designed to meet educational requirements for a professional license or certification that is required by state law for a graduate of the program to obtain employment in a specific occupation. The following disclosures contain information about the states in which our relevant programs are designed to meet the educational requirements for a specific license or certification.

Requirements for professional licensure and certification vary from state to state, and prospective students are responsible for understanding the requirements in the state in which they plan to work after graduation. UAGM does not guarantee that a student will obtain licensure, certification or employment. Please note that the following information relates only to the educational requirements for the licenses and certifications listed below and is specific to the institution/campus listed above. Other requirements and prerequisites may apply to these licenses and certifications, such as requirements that an applicant successfully complete a criminal or other background check.

The **Associate in Sciences in Nursing (ADN)** offered at UAGM Carolina Campus, UAGM Barceloneta, and UAGM Cabo Rojo, prepares graduates to meet the requirements established by the Puerto Rico Nursing Board to be eligible to apply for the exam to obtain a nursing license to practice as an ADN nurse in Puerto Rico.

The **Bachelor in Sciences in Nursing (BSN)** offered at UAGM Carolina Campus, UAGM Barceloneta, and UAGM Cabo Rojo, prepares graduates to meet the requirements established by the Puerto Rico Nursing Board to be eligible to apply for the exam to obtain a nursing license to practice as an BSN nurse in Puerto Rico.

The **Certificate in Practical Nursing** offered at UAGM Carolina Campus, UAGM Barceloneta, and UAGM Cabo Rojo, prepares graduates to meet the requirements established by the Puerto Rico Nursing Board to be eligible to apply for the exam to obtain a nursing license to practice as an LPN in Puerto Rico.

In the event that a prospective student is interested in practicing the profession in the United States, they must pass the NCLEX exam.

The University *has not made a determination* whether its curriculum meets the state educational requirements for licensure required for employment as a ADN, BSN, or LPN Nurse in the following states:
