

PROFESSIONAL LICENSURE AND CERTIFICATION REQUIREMENTS

Teacher Preparation Programs

Several programs offered at Universidad Ana G. Méndez – Gurabo Campus are designed to meet the educational requirements to obtain a professional license or certification, mandatory by state law in order for a university graduate to be employed in a specific occupation. The following disclosure contains information about the US jurisdictions for which the program in reference is designed to meet the educational requirements for a specific license or certification.

Requirements for professional licensure and certification vary from state to state, and prospective students are responsible for understanding the requirements in the state in which they plan to work after graduation. UAGM does not guarantee that a student will obtain licensure, certification or employment. Please note that the following information relates only to the educational requirements for the licenses and certifications listed below and is specific to the institution/campus stated above. Other requirements and prerequisites may apply to these licenses and certifications, such as that an applicant successfully complete a criminal record check or other background screenings.
