

ACADEMIC DIVISION OF HEALTH SCIENCES			
Degree: MASTER OR SCIENCE		CURRICULUM	
Credits: 64			
Program: SPEECH LANGUAGE PATHOLOGY - Evening			
Description: The program has the ultimate goal of increasing the number of qualified speech-language pathologists in the island. Graduates will be able to supply the high demand of services to the population with speech, language, articulation, voice, fluency, swallowing, and hearing problems in Puerto Rico and the Hispanic population, and minorities all over the United States.			
Course Code	Course Title	Credits	Requisites
Concentration Courses			
MSLP 500	Phonology	3	
MSLP 510	Language Disorders in Children	3	
MSLP 520	Audiology for Speech-Language Pathologists	3	
MSLP 535	Neuroscience Applied to Speech- Language Pathology	3	
MSLP 530	Fluency Disorders	3	
MSLP 540	Voice Disorders	3	
MSLP 630	Language Disorders in Adults	3	
MSLP 525	Seminar: Multicultural Issues in Speech-Language Pathology	2	
MSLP 545	Seminar: Contemporary Professional Issues in Speech-Language Pathology & Audiology	2	
MSLP 570	Augmentative and Alternative Communication	3	MSLP 510-520
MSLP 550	Clinical Assessment Skills	3	MSLP 500-510-520-530-540-630
MSLP 590	Neurogenic Speech and Language Disorders	3	MSLP 500-510-535
MSLP 580	Aural Rehabilitation	3	MSLP 520
MSLP 620	Oral Motor and Swallowing Disorders	3	MSLP 535
MSLP 555	Clinical Intervention Skills	3	
MSLP 680	Knowledge Integration in Speech- Language Pathology	3	MSLP 590-580-550-620-555-570
		46	
Research courses			
MSLP 559	Research in Speech-Language Pathology I	2	
MLSP 569	Research in Speech-Language Pathology II	2	MSLP 559
MSLP 669	Research in Speech-Language Pathology III	2	MSLP 569
		6	
Elective courses			
_____*	Elective from specialty	3	
Clinical Practicum			
MSLP 595	SLP Clinical Practicum Workshop	3	MSLP 590-580-550-620-555-570 and 25 clinical observation hours
MSLP 600	Clinical Internship I	3	MSLP 595
MSLP 610	Clinical Internship II	3	MSLP 600
		9	

Minimum graduation GPA of 3.0

Rev. 2016
