## 1.7 Submission of Proposals

Proposals must be received by the RFP Coordinator no later than **Tuesday, February 3, 2026, from 9:00am at 4:00pm**. Any proposal received after this deadline will be rejected and returned to the vendor. Vendors mailing proposals must allow ample mail delivery time to ensure timely receipt of their proposals. It is the vendor's responsibility to ensure that the proposal is received prior to the deadline. Postmarking by the due date will not substitute for actual receipt of the proposal by UAGM. Electronic mail and faxed proposals **will not be accepted**.

## 1.8 Rejection of Proposals

**1.8.1** At any time prior to the execution of the written contract, UAGM reserves the right to reject any or all proposals, in whole or in part, to advertise for new proposals, to abandon the need for such products or services, and to cancel this RFP if it is in the best interest of UAGM.

**1.8.2** A proposal shall be rejected outright and not evaluated if a vendor fails to deliver its proposal by 4:00 pm on the due date or fails to include the required transmittal letter, proposal certification, and certification of independence and no conflict of interest.

## **1.9 Costs of Preparing the Proposal**

The costs of preparing the proposal are the sole responsibility of the vendor. UAGM is not responsible for any costs incurred by vendor which are related to the preparation or delivery of the proposal, or any other activities carried out by the vendor related to this RFP.

## **1.10 Waiver of Deficiencies and Nonmaterial Variations**

UAGM reserves the right to waive or permit cure of nonmaterial variances in a proposal if such waiver is in their best interest. Nonmaterial variances include minor informalities that do not affect responsiveness, variances that are merely a matter of form or format, variances that do not change the relative standing of other vendors, variances that do not prejudice other vendors, variances that do not change the meaning or scope of the RFP, or variances that do not reflect a material change in the proposal. Failure to provide any mandatory information, or to comply with mandatory requirements of the RFP, shall not be considered a nonmaterial variation that UAGM can waive or permit cure. In the event UAGM waives or permits cure of nonmaterial variances, such waiver or cure will not modify the RFP requirements or excuse the vendor from full compliance with RFP specifications or other contract requirements if the vendor is awarded the contract. The determination of whether a particular matter constitutes a material or nonmaterial variation from the RFP is within the sole discretion of UAGM.

## **1.11 Opening Proposals**

The proposals will be opened on **Thursday, February 5, 2026**, at the Purchasing & Contract Office. The proposals will remain confidential until all the proposals are submitted in response to this RFP and a notice of award is announced in accordance with UAGM's Policies and Procedures.

## **1.12 Public Records and Requests for Confidentiality**

**1.12.1** All information submitted by a vendor may be treated as a public record by UAGM, unless the vendor properly requests that the information be treated as confidential information at the time its proposal is submitted.

**1.12.2** Any request for confidential treatment of information must be included in the transmittal letter with the vendor's proposal. In any such request, the vendor must enumerate the specific grounds that support treatment of the materials as confidential and must also explain why disclosure of the information is not in the best interest of the public. The request for confidential treatment must also include the name, address, and telephone number of the person authorized by the vendor to respond to any inquiries by UAGM concerning the confidential status of the materials.

**1.12.3** Any document submitted which contain confidential information must be marked on the outside as containing confidential information, and each page upon which confidential information appears must be marked as containing confidential information. The confidential information must be clearly identifiable to the reader where it appears. All copies of the proposal

submitted, as well as the original proposal, must be marked in this manner. Identification of the entire proposal as confidential shall be deemed as non-responsive and disqualify the vendor.

**1.12.4** In addition to marking the material as confidential material where it appears, the vendor must submit one copy of the relevant pages of the proposal from which the confidential information has been excised. The confidential material must be excised in such a way as to allow the public to determine the general nature of the material removed and to retain as much of the documents as possible. These pages must be submitted with the transmittal letter and will be made available for public inspection.

**1.12.5** The information as marked confidential shall be treated as such to the extent such information is determined to be confidential under or other provisions of law by a court of competent jurisdiction.

**1.12.6** In the event that UAGM receives a request for information marked as confidential, written notice shall be given to the vendor.

**1.12.7** A vendor's failure to request confidential treatment of material pursuant to this section and the relevant laws will be deemed by UAGM as a waiver of any right to confidentiality that a vendor may have had.

### **1.13 Copyrights**

By submitting a proposal, the vendor agrees that UAGM may copy the proposal for purposes of facilitating the evaluation of the proposal or to respond to requests for public records. By submitting a proposal, the vendor consents to such copying and warrants and represents that such copying will not violate the rights of any third party. UAGM will have the right to use ideas or adaptations of ideas that are presented in the proposals.

### **1.14 Proposals are Property of UAGM**

All proposals become the property of UAGM and shall not be returned to the vendor unless all proposals are rejected, and no award is made.

### **1.15 Restrictions on Gifts and Activities**

UAGM Policies and Procedures prohibit officials and employees of UAGM from receiving gifts from certain donors. Vendors are responsible for determining the applicability of this rule to their activities and for complying with it.

## **1.16 Construction of RFP with Laws and Norms**

This RFP is to be construed in light of pertinent legal requirements. Changes in applicable laws and norms may affect the award process or the resulting contract. Vendors are responsible for ascertaining pertinent legal requirements and restrictions.

## **1.17 Release of Claims**

By submitting a proposal, each vendor agrees that it will not bring any claim or have any cause of action against UAGM based on any misunderstanding concerning the information provided in this RFP or concerning UAGM's failure, negligent or otherwise, to provide the vendor with pertinent information intended by this RFP.

## **1.18 Content of RFP**

**1.18.1** This RFP is designed to provide vendors with information necessary for the preparation of competitive proposals. Each vendor is responsible for determining all factors necessary for the submission of a comprehensive and compliant proposal.

**1.18.2** Proposals should be based solely on the material contained in the RFP. Vendors are to disregard any draft materials they may have received, newspaper articles they may have read, and any other previous oral or written representations.

## **1.19 UAGM's Use of Sources of Information**

**1.19.1** UAGM reserves the right to contact vendors after the submission of proposals for the purpose of clarifying a proposal and to ensure mutual understanding. A vendor will not be permitted to modify or amend its proposal if contacted by UAGM for this reason. All contact with vendor for clarification purposes shall be in writing. All responses shall be in writing. UAGM will be bound only by written responses.

**1.19.2** UAGM assumes no responsibility for representations made by its employees prior to the execution of a legal contract unless such representations are specifically incorporated into this RFP as a written addendum to the RFP. Oral discussions pertaining to modifications or clarifications of the RFP shall not be considered part of the RFP unless confirmed in writing.

**1.19.3** UAGM reserves the right to obtain from all sources information concerning a vendor or a vendor's product, services, personnel, or subcontractors. UAGM also reserves the right to obtain and consider information from other sources such as the vendor's performance in other contracts. UAGM may use any of this information to evaluate a vendor's proposal.

## **1.20 Proposals Valid for 60 Days**

All proposals shall be firm for a period of sixty (60) days following the date on which proposals are due.

## **1.21 Proposal Evaluation and Award.**

Proposals that are submitted timely and comply with the mandatory requirements of the RFP will be evaluated in accordance with the terms of the RFP. Any contract resulting from this RFP will not necessarily be awarded to the vendor with the lowest price. Instead, the contract shall be awarded to the complaint vendor whose received proposal is recommended by UAGM's Bid Committee in accordance with evaluation criteria set forth in the RFP.

## **1.22 Award Notice**

Notice of award of the contract to the successful vendor will be sent by mail or electronic mail, to all vendors submitting proposals. Negotiation and execution of contract with the successful vendor shall be completed no later than five working days after awarded. If the apparent successful vendor fails to negotiate and deliver an executed contract by that date, UAGM may, in its sole discretion, cancel the award and award the contract to the next highest ranked vendor.

## **CHAPTER 2 GENERAL TERMS AND CONDITIONS OF THE CONTRACT**

The contract that will be awarded as a result of this RFP will be based upon the proposal submitted by the successful vendor and this solicitation. UAGM reserves the right to either award a contract without further negotiation with the successful vendor or to negotiate contract terms with the selected vendor if the best interests of UAGM would be served. The contract terms contained in this chapter are not intended to be a complete listing of all contract terms but are provided only to enable the vendor to better evaluate the vendor's costs associated with the RFP and resulting contract. Vendors should plan for the following terms being included in any contract awarded as a result of this RFP. All costs associated with complying with these requirements should be included in the prices quoted by the vendor.
